1. RA #608 Summerhill School

查看原题 >

Summerhill School was regarded with considerable suspicion by the educational establishment. Lessons were optional for pupils at the school, and the government of the school was carried out by a School Council, of which all the pupils and staff were members, with everyone having equal voting rights.

2. RA #604 Statistical Chance

查看原题 >

The survey found that the statistical chances of someone from a poor background being accepted at one of the country's most respected universities are far lower than those of a student from a wealthy family. This means that the inequalities in society are likely to be passed down from one generation to the next.

3. RA #605 Language Diversity

查看原题 >

Despite a number of events in recent years devoted to language diversity, language endangerment, and multilingualism, such as the International Year of Languages, public awareness of the issues is still remarkably limited. Only one in four of the population know that half the languages of the world are so seriously endangered that they are unlikely to survive the present century.

5. RA #709 Loggerhead Turtle

查看原题 >

It's time for this young loggerhead turtle to go to work. We can tether turtles in these little cloth harnesses, put them into this tank and dull swimming place. University of North Carolina biologist Ken Loman studies sea turtles that are programed from birth for an extraordinary journey. Mother turtles buried the eggs on the beach and then returned to the sea and the eggs hatch about 50 to 60 days later.

6. RA #668 Agricultural Science

查看原题 >

While advances in agricultural science have always been critical to ensuring we help feed the world, its impact and importance is even greater now, as population grows at a rapid rate and the availability of arable land steadily declines. Science and technology solutions are essential to meeting growing demand for food, maintaining market competitiveness and adapting to land mitigating risks.

7. RA #682 Globalization

查看原题 >

The benefits and disadvantages of globalization are the subject of ongoing debate. The downside to globalization can be seen in the increased risk for the transmission of diseases. Globalization has of course led to great good, too. Richer nations now can come to the aid of poorer nations in crisis. Increasing diversity in many countries has meant more opportunity to learn about and celebrate other cultures.
